

## TOUR TO THE SURROUNDINGS OF THE CAPITAL

Day 1	<p><b>ANTANANARIVO</b></p> <p>Arrival to Ivato international airport, meeting and transfer to the hotel. Accommodation in "Panorama hotel"***on bed and breakfast.</p>	Panorama hotel
Day 2	<p><b>ANTANANARIVO – ANDASIBE</b></p> <p>We are moving towards to the east of Madagascar. On our way there, we will visit the Madagascar Exotic reserve, where we can observe different lizards, chameleons, snakes, bats, crocodiles, uruplatus and another reptiles, etc. Continuation to Andasibe. It is a village that is considered as one of the most important touristic sites of Madagascar. Lots of tourists go there, in order to observe and admire rare lemurs such as Indri Indri (the biggest lemur). Special visits will be organized, in order to see all types of lemurs at close range. A small reserve called the Island of Lemurs is glad to welcome you. These lemurs are extremely kind. Make sure you take some fruits with you, since that will be another reason for them to come closer. Relatively close to this park, there is another reserve. There we will be able to see turtles, crocodiles and "Fosa" (rare predator endemic creature of Madagascar).</p>	Vakoana Forest Lodge
Day 3	<p><b>ANDASIBE – ANTSIRABE</b></p> <p>We leave in the early morning, after breakfast and will visit the Analamazaotra national park. On the road to Antsirabe, we will stop in Ambatolampy, in order to visit the factory of aluminum. There we can also buy different things made of aluminum such as knives and other souvenirs. The views there are truly magnificent. Antsirabe: town known for its thermal waters. There we can observe the work of precious gems cutters. This town is also known for its miniatures such as souvenirs of zebu horn.</p>	Royal Palace hotel
Day 4 – 5	<p><b>ANTSIRABE – AMPEFY</b></p> <p>There we will visit Lemur's park which is located around 22 km away in the western part from Antananarivo. The park stretches over a 4 hectares ground, at the edge of a river. There we will notice next kinds of lemurs: sifaka, fulvus, microcebus...</p> <p>Local small shop will offer you handcrafts (souvenirs, harps of real silk), postcards, fruits of baobabs etc.</p> <p>Ampefy is situated in 140 km away from the capital. There we will visit the volcanic region. It is a small gentle locality. There we can practice parachuting, hang-glider, rafting, canoeing and the canoe kayak. We will have a chance to visit the nicest waterfall "Lily" (23m high). Then, we will pass by the geysers of Analavory with view on the plantations of fruit trees such as papaya, orange and avocado trees.</p>	Kavitaha hotel
Day 6	<p><b>AMPEFY – ANTANANARIVO</b></p> <p>We will head to Antananarivo in the morning. Once we arrive there, we will do the city tour. Then, we will have a chance to visit the zoo-botanical park of Tsimbazaza. This park where we can find various types of</p>	

	<p>endemic plants of Madagascar such as Baobabs, Ravinala, Aloe, Ravintsara is not far from the city. The zoo has a large variety of lemurs which we will meet in their different natural circles. There we can also find Fosa (predators of Lemurs and birds), reptiles (boa madagascariensis), turtles and donkeys. In the afternoon, visit of Royal palace which is situated in 25 km from the center of the capital. Day use, in the hotel, then, transfer to the airport for the flight back to abroad. Having visited these areas, it would be possible to continue the trip towards the coast of Madagascar.</p>
