

SOUTH CLASSIC

Day 1	<p>ANTANANARIVO</p> <p>We meet you in international Airport – Ivato. Transfer to the hotel Panorama, breakfast included.</p>	Hotel Panorama
Day 2	<p>ANTANANRIVO – ANTSIRABE</p> <p>We leave in the early morning, after breakfast. On the road we will stop in Ambatolampy, in order to visit the factory of aluminum. There we can also buy different things made of aluminum such as knives and other souvenirs. The views there are truly magnificent. Antsirabe: town known for its thermal waters. There we can observe the work of precious gems cutters. This town is also known for its miniatures such as souvenirs of zebu horn.</p>	Royal Palace
Day 3	<p>ANTSIRABE – FIANARANTSOA</p> <p>Before our departure we will have a little excursion around the town. On our way, stop in Ambositra – very important town of Madagascar, because of its market range. Ambositra also specializes in wood production. There we can find a huge variety of sculpture of wood such as Rose wood, Eben etc.</p> <p>Fianarantsoa is considered as economic, cultural and religious center. High regions of this town are the most interesting ones. There we can find a huge sculpture of Saint Virgin. According to history, this sculpture was built as the respect to the Queen Ravalona the 1st.</p>	Soafia hotel
Day 4	<p>FIANARANTSOA – RANOHIRA</p> <p>On our way to Ranohira we will enjoy incredible views. We will pass by the vine plantations, mountains and legendary rocks. Ambalavao is famous for its various architecture. There we will visit cloth factory, factory of paper production and some vine plantations. There we will be able to taste different sorts of vine from the local regions. Approximately 12 km. we can find the Anja Park, where we will be able to see Catta lemurs (Madagascar Maki) and many lizards. We will get to Ranohira in the end of afternoon.</p>	Relais de la Reine
Day 5	<p>SALO PARK</p> <p>We will go to this wonderful park in the early morning. In Isalo park we will find beautiful canyons, spears of rocks, many grottos, labyrinth of massifs etc. There, we will also observe natural swimming pool and natural window of Isalo park.</p>	Relais de la Reine
Day 6 – 7	<p>RANOHIRA – TULEAR – IFATY</p> <p>Early in the morning, off to Ifaty. On our way there we will stop and observe the villages that are specialized in precious stones mining. There we will also find the incredible baobabs, including a Holy Baobab. We will also have a chance to see a funerary of Mahafaly tribe – structures, characterized by “Aloalos”: geometrical wooden sculptures. Tulear is a big town of colonial style. Very hot climate is typical for this region. Singing and dancing in the evening is traditional for Tulear and its citizens. We will have a meal in local restaurant.</p>	Le Paradisier

	Ifaty is the village of Vezondriake fishermen. One of the biggest coral barrier reefs in the world is situated there. This magic place is very interesting for those who are looking for a calm atmosphere with incredible views. Many activities can be organized there. For example: watching whales in close range (July – September), fishing, diving, snorkeling, excursion to park of endemic turtles and many other.	
Day 8	IFATY – TULEAR – ANTANANARIVO We will come back to Tulear and get back to Antananarivo by plane. There, we organize a tour for visiting the handicraft market for buying local souvenirs. Then transfer to the airport for the flight back to abroad.
